Mobile Banking Description of Service

Mobile Banking is offered as a convenience and supplemental service to our Online Banking services. It is not intended to replace access to Online Banking from your personal computer or other methods you use for managing your accounts and services with us. Mobile Banking allows you to access your Credit Union account information, make payments to payees, transfer funds and conduct other banking transactions. To utilize Mobile Banking services, you must be enrolled in Online Banking.

We reserve the right to limit the types and numbers of accounts eligible and the right to refuse to make any transaction you request through Mobile Banking. We may also reserve the right to modify the scope of the Service at any time. Mobile banking may not be accessible or may have limited service over some network carriers. Mobile Banking may also not be supported by all Devices. Marshland cannot guarantee and is not responsible for the availability of data services provided by your mobile carrier, such as data outages or “out of network” issues.

Use of Mobile Banking Service

We may modify the Service from time to time at our sole discretion. In the event of any modifications, you are responsible for making sure you understand how to use Mobile Banking

as modified. You also accept responsibility or making sure that you know how to properly use your Device and we will not be liable to you for any losses caused by your failure to properly use the Service or your Device.

Other Mobile Banking Agreements

You agree that, when you use Mobile Banking, you remain subject to the terms and conditions set forth in your existing agreements with any unaffiliated service providers, including, but not limited to, your mobile service provider and that the Agreement does not amend or supersede any of those agreements. You understand that those agreements may provide for fees, limitations and restrictions which might impact your use of Mobile Banking (such as data usage or text messaging charges imposed on you by your mobile service provider). You also agree to be solely responsible for all such fees, limitations and restrictions. You agree that only your mobile service provider is responsible for its products and services and you also agree to resolve any issues or problems with your provider directly with the provider without involving us. You agree to review your account disclosures carefully, as they may include transaction limitations and fees which may apply to your use of Mobile Banking.

Equipment and Software

Marshland Credit Union does not guarantee that your Device or mobile phone service provider will be compatible with Mobile Banking. Mobile phones and other Devices with internet capabilities are susceptible to viruses. You are responsible to ensure that your Device is protected from and free of viruses, worms, Trojan horses, or other similar harmful components (collectively referred to as "viruses") which could result in damage to programs, files, and/or your phone or could result in information being intercepted by a third party. Marshland will not be responsible or liable for any indirect, incidental, special or consequential damages which may result from such viruses. Marshland will also not be responsible if any non-public personal information is accessed via Mobile Banking due to any of the above named viruses residing or being contracted by your Device at any time or from any source. The Credit Union is not responsible for errors or delays or your inability to access the service caused by your Device. We are not responsible for the cost of upgrading the Device to remain current with the Service. We are not responsible for any damage to the Device or the data within.

Permitted Online and Mobile Banking Transfers

You may use the Service to transfer funds between your eligible Marshland accounts. You may not transfer to or from an Account at another financial institution using Online or Mobile Banking. You must have sufficient funds available in the selected accounts at the time the transfer is received, including available overdraft protection (if applicable). We may process transfers that exceed your available balance at our sole discretion. Applicable fees may apply as

permitted by Law. Federal Regulations limit the number of transfers allowed from a savings or money market account per month. Online and Mobile Banking transfers count towards this limit. Each transfer from a savings or money market account using Online or Mobile Banking is counted as one of the six limited transactions permitted each month. (See Marshland's Consumer Account Disclosure Booklet, Marshland's Business Account Disclosure; the Marshnet Agreement and Marshland's Rate and Fee Disclosure.) We may also limit the type, frequency and amount of transfers for security purposes and may change or impose the limits without notice, at our option as permitted by Law.

You agree to confirm the completion of each transfer in your account balance and transaction history before withdrawing transferred funds.
