Want to keep your personal data and financial information secure? One primary safeguard against hackers is to use a password manager and randomized passwords. A password like 'ABC123' may be easy to remember, but it's also simple to guess. Using one of these free password managers to help you create and manage strong, unique passwords can prevent against the threat of hackers and identity fraud.

Marshland's 2021 Memorial Scholarship Winners

In 2001, Marshland Credit Union established the Memorial Scholarship to honor those members who have served on Marshland's Board of Directors or have served on important committees, such as the Supervisory Committee and the ALM Committee. Our Board of Directors and Committee members volunteer their time and energy to shape the future of our credit union and keep Marshland headed in the right direction.

The Marshland Credit Union Memorial Scholarship is a \$1500 scholarship which is awarded to four deserving graduating high school seniors who plan to attend an accredited college or university.

The Memorial Scholarships are used for educational expenses. In 2010, Marshland began to designate one of the four scholarships be given to a student with plans to attend the College of Coastal Georgia in the fall.

Molly Rowel from **Brantley County High School** has been chosen as the recipient for this year. She has been accepted and will attend the College of Coastal Georgia in the fall of 2021. The other recipients of this year's Marshland Memorial Scholarship are **Sammy Beard** from **Glynn Academy** who plans to attend the **University of Georgia** in the fall; **Tralayah Clinch** from **Glynn Academy** who will attend Mercer University in the fall and **Emily Henderson** of **Brunswick High School** who will attend Georgia College.

Applicants for the awards had to be a senior at a **Brantley, Bryan, Effingham, Glynn, Liberty, McIntosh or Wayne County school** with plans to pursue postsecondary studies. In addition, applicants had to be either a member of Marshland Credit Union or be the son or daughter of a member. Recipients were selected by the Scholarship Committee on the basis of academic achievement, school citizenship and community and school involvement. **Please join us in congratulating these young Marshland scholars!**
